Subject: Zenú's illegal trademark in the USA

Hello Diego

How are you ? hope things are going well.

I'm writing to tell you about this photo I'm enclosing, an uncle of mine works at Marquillas S.A. and they were sent the image in the photo to print 400,000 labels.

The containers would also be made in Medellin.

Obviously Marquillas is not going to print them and they told the packaging people to remove them as well and they are in agreement.

It appears to be a pirate from New York.

I thought it was important to tell you.

Best regards,

Asunto: Marca ilegal de Zenú en USA

Hola Diego  
Bien o no ? espero que todas tus cosas vayan bien.  
Te escribo para contarte de esta foto que te anexo, un tío trabaja en  
Marquillas S.A. y les mandaron la imagen de la foto para imprimir 400.000

etiquetas. Los envases también serían hechos en Medellín.  
Obviamente Marquillas no lo va a imprimir y les dijeron a los de los  
envases que también se quitaran y lo van a hacer.

Parece ser que es un pirata de New York.

Me pareció importante contarte.

Saludos !
